Dear David

**Aberdeen City and Shire Strategic Development Plan – Supplementary Guidance –
Strategic Transport Fund**

I refer to your correspondence of 6 May 2015 certifying notice of your authority's intention to adopt the Strategic Transport Fund supplementary guidance in association with the Aberdeen City and Shire Strategic Development Plan.

Scottish Ministers give notice that the Strategic Transport Fund supplementary guidance may not be adopted until the following modification is made:

- After the second sentence of paragraph 6.1, insert a new sentence: 'The use of any planning obligation shall follow the guidance in Circular 3/2012: Planning Obligations and Good Neighbour Agreements.'

Yours sincerely

Rosie Leven
Principal Planner
