

## **Community Consultation**

### **A STRATEGIC LAND USE PLAN FOR ABERDEEN CITY AND SHIRE**

#### **Issues and Options**

##### **Objectives:**

- Increase awareness and understanding of the strategic planning process
- Capture community representatives' views as to the strategic planning issues which should be addressed
- Allow initial discussion on the choice of "strategic options" which will be taken forward in the next phase of consultation

##### **Agenda**

###### **1. Introductions**

###### **2. Presentation:**

- The new Structure Plan for Aberdeen City and Shire- a new style of plan
- Consultation and engagement on the new plan

###### **4. Issues to be considered?**

- How are we going to deal with issues raised?
- Exercise to brainstorm and list the issues to be covered by the plan

###### **5. Strategic options**

- What are strategic options
- What where and when?
- Choosing options to take forward for evaluation
- Initial thoughts on strategic options

###### **6. Next steps**
